

In Time Of Silver Rain
Text by Langston Hughes

In time of silver rain
The earth
Puts forth new life again,
Green grasses grow
And flowers lift their heads,
And over all the plain
The wonder spreads
 Of life,
 of life,
 of life!

In time of silver rain
The butterflies
Lift silken wings
 To catch a rainbow cry,
And trees put forth
New leaves to sing
In joy beneath the sky
As down the roadway
Passing boys and girls
Go singing, too,
In time of silver rain
 When spring
 And life
 Are new.
